

# Free the MOVE 9!

Philadelphia D.A. Lynne Abraham allowed 600 cops to attack MOVE headquarters on Aug. 8, 1978, resulting in the death of one cop and the unjust imprisonment of nine innocent MOVE members.

When MOVE continued to fight for the release of the MOVE 9, Lynne Abraham signed a warrant to bomb and murder 11 innocent MOVE people, including babies, and animals on May 13, 1985.

On May 13, 2005, twenty years after the bombing of MOVE, NBC 10 asked Abraham if she would reinvestigate the conviction of the MOVE 9.

She said "No."

None of us can accept this murderous tyrant's actions! Demand Abraham do justice by the MOVE 9!  
Demand Abraham release the MOVE 9!

**Demonstration: Sunday, August 7, 2005**

**Location TBA**

**Press Conference: Monday August 8, 2005 at noon  
in front of Abraham's office, 1421 Arch Street.**

Demand the release of the MOVE 9! The MOVE 9 have been unjustly incarcerated for 27 years. None of us can rest until they are released. We cannot tolerate the insult of the "Liberty" bell when Philadelphia actively suppresses and terrorizes those who \*do\* believe in actual Liberty!
